

# Christmas con Cariño

Get into the Christmas spirit by filling stockings with gifts, candies and cariño for the children of food and agricultural workers.

## Christmas Stocking Project

We initially picked up 40 stockings from the Farmworker's Caravan Program.

Preparations commenced right away.

My grandson, Fernando,  
glitter glued all 40 stockings.

Generous donations started pouring in from PHWC members, family, friends, my daughter's classroom families, and Frida's teacher.

Donations overtook my spare bedroom, dining area, and living room!

It took awhile to finish sorting through and organizing everything.

and the fun begins...

Each stocking  
individually  
wrapped.

We were able to fill 75 stockings  
(35 over the original goal)!!

Loaded up and ready to deliver.

We were greeted by Santa Claus at the delivery drop off.

Our stockings were unloaded by the program volunteers. They were very grateful for our overflowing stockings and the care that was taken to wrap them up. We were asked to stay for the presentation and news filming.

The program coordinator  
gave a heartfelt speech  
which was followed by  
singing of *De Colores*

All stockings are loaded up in large vans to be personally delivered by the program coordinators to our essential farmworkers and families.

Thank you for your support with this project!
